

MEMORANDUM

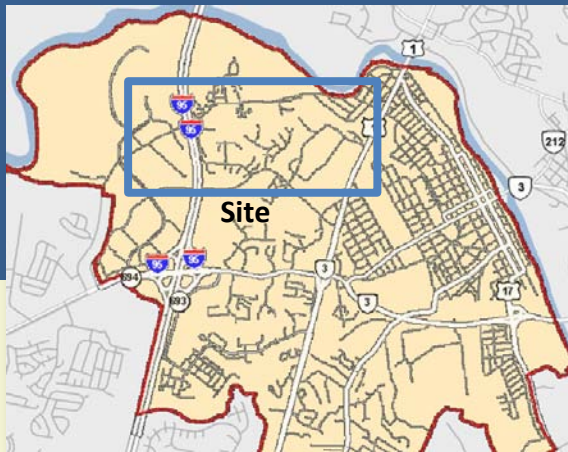

TO: Owners of Property in the Fall Hill Avenue and
Mary Washington Boulevard Corridor
FROM: Doug Fawcett, Director of Public Works
DATE: October 16, 2012
**SUBJECT: Notice of Important Public Hearing -Fall Hill Avenue Widening and Mary
Washington Boulevard Extension**

The City of Fredericksburg and the Virginia Department of Transportation are actively planning the widening of Fall Hill Avenue from the Rappahannock Canal west to Carl D. Silver Parkway and the extension of Mary Washington Boulevard from its current terminus at the rear of the Mary Washington Hospital campus north to Fall Hill Avenue. (See the opposite side of this page for a map of the proposed improvements.)

The City will be conducting an important public hearing on this project on **Tuesday, October 30, 5:00PM-8:00PM, at Upper Lafayette Elementary School** on Learning Lane. (Learning Lane is at the last traffic signal in the City as one travels south on Jefferson Davis Highway/US Route 1. There will be signs at the intersection directly attendees to parking for the hearing.)

Any interested person is invited to attend any portion of the hearing. The format for the hearing will consist of a short presentation at the top of each hour (same presentation each time) with the remainder of time dedicated to attendees viewing preliminary (30%) project plans and other documents related to the project located around the room and having the opportunity to comment on the plans and/or ask questions of the project engineers and City and VDOT staff working on the project. There will be a court stenographer in attendance to record any comments any attendee desires to have entered into the official record of the hearing. There will also be a ten day comment period after the hearing during which any interested person may provide comments for inclusion in the hearing record.

Questions or comments about this matter may be directed to Doug Fawcett, Director of Public Works, 540-372-1023; dfawcett@fredericksburgva.gov. Persons needing special accommodation to attend this hearing are requested to contact the Public Works Office by no later than Thursday, October 25.
